COMPILATION REPORT
TO ARCANOLA PTY. LTD.

Scope

On the basis of information provided by the Officers of the Company, we have compiled in accordance with APS 9: Statement on Compilation of Financial Reports the general purpose financial report of Arcanola Pty. Ltd. for the year ended 30 June 2024 as set out on pages 1 to 7.

The Officers of the Company are solely responsible for the information contained in the general purpose financial report.

Our procedures use accounting expertise to collect, classify and summarise the financial information which the Officers of Company provided into a financial report. Our procedures do not include verification or validation procedures. No audit or review has been performed and accordingly no assurance is expressed.

To the extent permitted by law, we do not accept liability for any loss or damage which any person, other than the Company and its Directors and Members, may suffer arising from any negligence on our part. No person should rely on the general purpose financial report without having an audit or review conducted.

The general purpose financial report was prepared exclusively for the benefit of the Company and its Directors and Members. We do not accept responsibility to any other person for the contents of the general purpose financial report.

DIRECTORS' REPORT

The directors present the financial statements of the company for the year ended 30 June 2024.

- (a) The names of the directors in office at the date of this report are:
- Dimitrios Papamarkou
Mary Papamarkou
- (b) The principal activity of the company during the year was to act as trustee of a trust.
The trust's activities were the operation of an aged care facility at Whittlesea, Vic.
There were no significant changes in the nature of the activities of the company or of the trust occurred during the year.
- (c) The net amount of the profit of the company for the financial year after income tax expense is \$NIL. (2023 \$NIL).
- (d) No dividends have been paid, declared or recommended by the company since the end of the previous financial year.
- (e) Since the previous report no director has received or become entitled to receive a benefit other than:
- (i) a benefit included in the aggregate amount of emoluments received or due and receivable by directors shown in the company's accounts, or:
- (ii) the fixed salary of a full time employee of the company, controlled entity or related body corporate,
- by reason of a contract made by the company, controlled entity, or a related body corporate with the director or with a firm of which the director is a member, or with an entity in which the director has a substantial financial interest.

This report is made in accordance with a resolution of the directors and is signed for and on behalf of the directors by:

.....
DIMITRIOS PAPAMARKOU
Director

.....
MARY PAPAMARKOU
Director

STATEMENT BY DIRECTORS

In the opinion of the directors of the company:

1.
 - (a) the accompanying Profit and Loss Statement is drawn up so as to give a true and fair view of the results of the company for the year ended 30 June 2024;
 - (b) the accompanying Balance Sheet is drawn up so as to give a true and fair view of the state of affairs of the company as at 30 June, 2024; and
 - (c) at the date of this statement there are reasonable grounds to believe that the company will be able to pay its debts as and when they fall due.
2.
 - (a) The company has kept such accounting records as correctly record and explain the transactions and financial position of the company;
 - (b) The company has kept its accounting records in such a manner as would enable true and fair financial statements of the company to be prepared from time to time; and
 - (c) The company kept its accounting records in such a manner as would enable the financial statements of the company to be conveniently and properly audited in accordance with the Corporations Act 2001.
3. The financial statements have been properly prepared by a competent person.
4. In the year to 30 June 2024, it is our opinion that the company is a Reporting Entity and that preparation of reports tailored so as to satisfy specifically all of their information needs, these financial statements therefore being a "General Purpose Financial Report". It is also our opinion that the company is likely to be a Reporting Entity in the ensuing year.

This statement is made in accordance with a resolution of the board of directors and is signed for and on behalf of the directors by:

.....

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2024

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General Purpose Financial Report

This financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards, reduced disclosure requirements of the Australian Accounting Standards Board and the Corporations Act 2001.

The financial report is for the entity Arcanola Pty. Ltd. as an individual entity. Arcanola Pty. Ltd. is a company limited by shares, incorporated and domiciled in Australia.

The financial report has been prepared on an accruals basis and is based on historical costs, modified, where applicable, by measurement at fair value of selected non-current assets, financial assets and financial liabilities.

NOTE 2: RIGHT OF INDEMNITY

The company acts solely as trustee for the D. & M. Papamarkou Family Trust and on behalf of the trust had at 30 June 2024, incurred liabilities as detailed in the Balance Sheet. Such liabilities of the trust are in the first instance liabilities of the company, which to the same extent has a recourse to the assets of the trust.

The accounts of the trust at 30 June 2024, disclosed that its assets exceeded its liabilities and the company's right of indemnity is valued at an amount equivalent to the liabilities undertaken in respect of the trust.

These notes should be read in conjunction with the attached compilation report of Wilson Pateras Accounting Pty. Ltd. (A.C.N. 606 714 354) Accountants and Advisors.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2024

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards, reduced disclosure requirements of the Australian Accounting Standards Board and the Corporations Act 2001.

The financial report covers Arcanola Pty. Ltd. as trustee and D. & M. Papamarkou Family Trust as an individual and economic entity. D. & M. Papamarkou Family Trust is a discretionary trust established and domiciled in Australia.

The financial report has been prepared on an accruals basis and is based on historical costs, modified, where applicable by measurement at fair value of selected non-current assets, financial assets and financial liabilities.

The following is a summary of the material accounting policies adopted by the trust in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

a. Income Tax

The economic entity adopts the liability method of tax-effect accounting whereby the income tax expense is based on the operating profit adjusted for any permanent differences and distributions of taxable income to beneficiaries. No liability has been raised for the provision tax as it is unlikely that any taxable income will be retained by the economic entity in 2024.

b. Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment losses.

Property

Freehold land and buildings are measured on the fair value basis, being the amount for which an asset could be exchanged between knowledgeable willing parties in an arm's length transaction. It is the policy of the economic entity to have trustee valuations every three years.

Depreciation

The economic entity has charged depreciation on buildings at the rate of 2.5% using the straight line method, notwithstanding that the interests in land and buildings are held as investment properties. Items of property, plant and equipment are recorded at cost and depreciated using the reducing balance method over their estimated useful lives. Assets are depreciated from the date of acquisition. The depreciation rates used for each class of asset for the current and previous year are as follows:-

Computer equipment	30.00%
Motor Vehicles	22.50%
Plant & Equipment	15.00%

c. Investments

Investments are measured on the cost basis. The carrying amount of investments is reviewed annually by the directors of the trustee company to ensure it is not in excess of the recoverable amount of these investments.

The expected net cash flows from investments have not been discounted to their present value in determining the recoverable amounts.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2024

d. Leases

Leases are classified at their inception as either operating or finance leases based on the economic substance of the agreements so as to reflect the risks and benefits incidental to ownership. Leases of plant and equipment under which the economic entity assumes substantially all the risks and benefits of ownership are classified as finance leases.

Finance leases are capitalised by recording an asset and a liability at the lower of the amounts equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Leased assets are depreciated on a reducing balance method over the shorter of their estimated useful lives or the lease term.

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor are charged as expenses on a straight line basis over the lease term.

e. Employee Benefits

Provision is made for the trust's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits expected to be settled within one year, together with benefits arising from wages and salaries, annual leave and sick leave which will be settled after one year, have been measured at the amounts expected to be paid when the liability is settled plus related on-costs. Other employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits.

Contributions are made by the economic entity to an employee superannuation fund and are charged as expenses when incurred.

f. Revenue

Interest revenue is recognised on a cash basis.

g. Cash

For the purposes of the Statement of Cash Flows, cash includes cash on hand and at banks including at call deposits with banks.

h. Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2024

i. **Financial Instruments**

Initial recognition and measurement

Financial assets and financial liabilities are recognised when the entity becomes a party to the contractual provisions to the instrument. For financial assets, this is equivalent to the date that the trustee company commits itself to either purchase or sell the asset (i.e. trade date accounting is adopted).

Financial instruments are initially measured at fair value plus transaction costs, except where the instrument is classified 'at fair value through profit or loss' in which case transaction costs are expensed to the itemised profit and loss account..

Financial instruments are measured at fair value, amortised cost using the effect interest rate method or cost. Fair value represents the amount for which an asset could be exchanged or a liability settled, between knowledgeable, willing parties. Where available, quoted prices in an active market are used to determine fair value. In other circumstances, valuation techniques are adopted.

Amortised cost is calculated as:-

- . the amount at which the financial asset or financial liability is measured at initial recognition;
- . less principal repayments;
- . plus or minus the cumulative amortisation of the difference (if any) between the amount initially recognised and the maturity amount calculated using the effective interest method;
- . less any reduction for impairment.

The effective interest method is used to allocate interest income or interest expense over the relevant period.

— *Non-Current Investments*

Financial assets are required to be classified into four categories, which determine the accounting treatment of the respective items. The categories and various treatments are:

- held to maturity, measured at amortised cost;
- held for trading, measured at fair value with unrealised gains or losses charged to the profit and loss;
- loans and receivables, are non derivative financial assets with fixed or determinable payments that are not quoted in an active market and are subsequently measured at amortised cost; and
- available for sale instruments, measured at fair value with unrealised gains or losses taken to equity.

The Trust's financial instruments are not classified as available for sale financial instruments.

All investments are recorded at cost, with an annual review by directors to ensure the carrying amounts are not in excess of the recoverable value of the investment.

Financial Liabilities

Non-derivative financial liabilities (excluding financial guarantees) are subsequently measured at amortised cost.

These notes should be read in conjunction with the attached compilation report
of Wilson Pateras Accounting Pty. Ltd. (A.C.N. 606 714 354) Accountants and Advisors.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2024

— *Impairment of Assets*

The recoverable amount of an asset is determined as the higher of fair value less costs to sell and value in use. In determining value in use, projected future cash flows are discounted using a risk adjusted pre-tax discount rate and impairment is assessed for the individual asset or at the 'cash generating unit' level. A 'cash generating unit' is determined as the smallest group of assets that generates cash flows, which are largely independent of the cash inflows from other assets or groups of assets.

The current policy is to determine the recoverable amount of an asset on the basis of undiscounted net cash flows that will be received from the asset's use and subsequent disposal. It is likely that this change in accounting policy will lead to impairments being recognised more often.

Trade and Other Payables

Trade and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the trust during the reporting period, which remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

— *Income Tax*

Currently, the D. & M. Papamarkou Family Trust adopts the liability method of tax-effect accounting whereby the income tax expense is based on the accounting profit adjusted for any permanent differences and distributions of taxable income to beneficiaries. Under AASB112 Income Taxes, there will be a requirement to adopt a balance sheet approach under which temporary differences are identified for each asset and liability rather than the effects of the timing and permanent differences between taxable income and accounting profit.

Any adjustment will have no effect on profit for the year ended 30 June 2024.

There is no income tax payable by the trustee as all accounting and taxable income is distributed to the nominated beneficiaries of the D. & M. Papamarkou Family Trust.

These notes should be read in conjunction with the attached compilation report of Wilson Pateras Accounting Pty. Ltd. (A.C.N. 606 714 354) Accountants and Advisors.

NOTE 21: FINANCIAL INSTRUMENTS

a. Interest Rate Risk

The economic entity's exposure to interest rate risk, which is the risk that a financial instrument's value will fluctuate as a result of changes in market interest rates and the effective weighted average interest rates on those financial assets and financial liabilities is as follows:

	Weighted Average		Fixed Interest Rate Maturing					
	Effective		Floating Interest Rate		Within 1 year		1–5 Years	
	2024	2023	2024	2023	2024	2023	2024	2023

Financial Liabilities

Non Current

- Bank Loans

- Secured	-	-	-	-	-	-	-	-
- Secured	-	-	-	-	-	-	-	-

b. Credit Risk

The maximum exposure to credit risk, excluding the value of any collateral or other security, at reporting date to recognised financial assets is the carrying amount of those assets, net of any provisions for doubtful debts, as disclosed in the Statement of Financial Position and notes to the financial statements.

The economic entity does not have any material credit risk exposure to any single debtor or group of debtors under financial instruments entered into by the economic entity.

c. Net Fair Values

The net fair values of listed investments have been valued at the quoted market bid price at reporting date adjusted for transaction costs expected to be incurred. For other assets and other liabilities the net fair value approximates their carrying value. No financial assets and financial liabilities are readily traded on organised markets in standardised form other than listed investments. Financial assets where the carrying amount exceeds net fair values have not been written down as the economic entity intends to hold these assets to maturity.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2024

NOTE 21: FINANCIAL INSTRUMENTS

The aggregate net fair values and carrying amounts of financial assets and financial liabilities are disclosed in the Statement of Financial Position and in the notes to the financial statements.

These notes should be read in conjunction with the attached compilation report of Wilson Pateras Accounting Pty. Ltd. (A.C.N. 606 714 354) Accountants and Advisors.

DIRECTORS' DECLARATION OF THE TRUSTEE COMPANY

The directors of the trustee company declare that:

1. the financial statements and notes, as set out on pages 1 to 38 present fairly the trust's and economic entity's financial position as at 30 June 2024 and its performance for the year ended on that date in accordance with Australian Accounting Standards and other mandatory professional reporting requirements; and
2. in the directors' opinion there are reasonable grounds to believe that the trust will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors of the trustee company.

Dated: 28 October 2024

COMPILATION REPORT TO THE TRUSTEES OF D. & M. PAPAMARKOU FAMILY TRUST

On the basis of the information provided by the Trustees of D. & M. Papamarkou Family Trust, we have compiled, in accordance with APES 315: Compilation of Financial Information for the general purpose financial report of Arcanola Pty. Ltd. as trustee for the D. & M. Papamarkou Family Trust for the year ended 30 June 2024 as set out in pages 1 to 39.

The Trustees are solely responsible for the information contained in the general purpose financial report and have determined that the accounting policies used are consistent with the financial reporting requirements of the Trust Deed and are appropriate to meet the needs of the Trustees for the purposes of making decisions about the allocation of resources and the discharge of accountability by the Trustees.

Our procedures use accounting expertise to collect, classify and summarise the financial information which the Trustees provided into a financial report. Our procedures do not include verification or validation of procedures. No audit or review has been performed and accordingly no assurance is expressed.

To the extent permitted by law, we do not accept liability for any loss or damage which any person other than the Trustees may suffer arising from any negligence on our part. No person should rely on the general purpose financial report without having an audit or review conducted.

The general purpose financial report was prepared for the benefit of the Trustees and for the purpose identified above. We do not accept responsibility to any other person for the contents of the general purpose financial report.

Scope

The general purpose financial report and directors' responsibility

The general purpose financial report comprises the statement of financial performance, statement of financial position, statement of changes in equity, statement of cash flows, accompanying notes to the financial statements, and the directors' declaration for Arcanola Pty. Ltd. (as trustee) D. & M. Papamarkou Family Trust for the year ended 30 June 2024.

The directors of the trustee company are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards reduced disclosure requirements (including Australian Accounting Interpretations) and the Corporations Act 2001. This responsibility includes designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances. In Note 1, the directors also state, in accordance with Accounting Standard AASB 101: Presentation of Financial Statements that, compliance with Australian Accounting Standards reduced disclosure requirements ensures that the financial report, comprising the financial statements and notes, complies with Australian Accounting Standards reduced disclosure requirements.

Audit approach

We conducted an independent audit of the general purpose financial report in order to express an opinion on it to the trustee company. Our audit was conducted in accordance with Australian Auditing Standards in order to provide reasonable assurance as to whether the financial report is free of material misstatement. The nature of an audit is influenced by factors such as the use of professional judgement, selective testing, the inherent limitations of internal control, and the availability of persuasive rather than conclusive evidence. Therefore, an audit cannot guarantee that all material misstatements have been detected.

We performed procedures to assess whether in all material respects the financial report presents fairly in accordance with the Corporations Act 2001, including compliance with Accounting Standards in Australia, and other mandatory financial reporting requirements in Australia, a view which is consistent with our understanding of the D. & M. Papamarkou Family Trust's financial position, and the performance as represented by the results of their operations and cash flows.

We formed our audit opinion on the basis of these procedures, which included:

- . examining, on a test basis, information to provide evidence supporting the amounts and disclosures in the financial report, and
- . assessing the appropriateness of the accounting policies and disclosures used and the reasonableness of significant accounting estimates made by the directors of the trustee company.

While we considered the effectiveness of management's internal controls over financial reporting when determining the nature and extent of our procedures, our audit was not designed to provide assurance on internal controls.

We performed procedures to assess whether the substance of business transactions were accurately reflected in the financial report. These and our other procedures did not include consideration or judgement of the appropriateness or reasonableness of the business plans or strategies adopted by the directors of the trustee company.

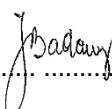

Independence

We are independent of the trustee company, and have met the independence requirements of Australian professional ethical pronouncements and the Corporations Act 2001. We have given to the directors of the trustee company a written Auditor's Independence Declaration. In addition to our audit of the financial report, we are not engaged to undertake any other services.

Audit opinion

In our opinion, the general purpose financial report of Arcanola Pty. Ltd. (as trustee) D. & M. Papamarkou Family Trust is in accordance with:

- (a) the Corporations Act 2001, including:
 - (i) giving a true and fair view of the financial position of the D. & M. Papamarkou Family Trust at 30 June 2024 and of their performance for the year ended on that date; and
 - (ii) complying with Australian Accounting Standards reduced disclosure requirements (including Australian Accounting Interpretations) as described in Note 1 and the Corporations Regulations 2001.
- (b) other mandatory financial reporting requirements in Australia.

Auditor's Independence Declaration
under section 307C of the Corporations Act 2001 to
the Directors of Arcanola Pty. Ltd. (as trustee)
D. & M. Papamarkou Family Trust

I declare that, to the best of my knowledge and belief, during the year ended 30 June 2024 there have been:

- (i) No contraventions of the auditor independence requirements as set out in the Corporations Act 2001 in relation to the audit, and
- (ii) No contraventions of any applicable code of professional conduct in relation to the audit.
